Before you read on, have you completed the Author's Tone Worksheet 1, first? The author's attitude toward mothers trying to arrange marriages for their daughters could best be described as: A. Which emotion is the author most likely trying to rouse from his reader after reading this text? 4. Here, the answer must closely mirror the language in the text. Nothing about the house itself was particularly depressing. The author uses the words "ready consent," which means "eager or quickly willing" consent and coins "lung" upon the table to indicate a hurried pace. I couldn't get at the heart of my displeasure. Your car's electronic key fob makes it easy to unlock and open doors or even remotely start the vehicle. This speaks to the tone of the excerpt as a whole. If you can't locate it anywhere on your vehicle, check your insurance card or your billing paperwork. amused by the notion The correct answer is D. Austen depicts the mother as meddling, gossiping, and impatient. Smart keys and transponder key fobs in particular may be costlier than basic button-operated remotes, costing several hundred dollars or more to replace, states Consumer Reports.Go OnlineIf you prefer to do some research before making a purchase or you're looking to find a better deal, performing an online search for a key fob that pairs with your car's make, model and year can also be a helpful option. Another option is to check your local automotive supply store. Knowing which type of key you need makes it easier to shop around and find the best price for replacement.Shop Around Before purchasing, compare prices to find the most economical option. Even keys have become sophisticated pieces of hardware, but that sophistication can turn against you when you lose one of those fancy electronic keys or key fobs. On the other hand, most locksmiths can come to you, whether you're at home or work. It's no longer as simple as stopping by your local hardware store, but you actually don't have to pay a fortune to get a replacement. Bennet brings it up. What tone is the author most likely trying to convey with the sentence, "It is a truth universally acknowledged, that a single man in possession of a good fortune must be in want of a wife." A. astonished by the notion D. What's going to come up? Hence, Choice D is the best bet. 3. However, if this handy accessory breaks or turns up missing, you'll likely want to replace it as quickly as possible. Unfortunately, if you need to replace a smart key, a dealership may be your only recourse. Smart keys and transponder keys are more sophisticated — and more expensive. For example, you might find an aftermarket fob with a button layout that you prefer over your original version. So even though we know he is uncomfortable, the correct answer is NOT D. You can find the VIN inside the windshield on the driver's side or on the information label inside the driver's side door. hatred B. And Choice A is completely off! Hence, Choice C is the best answer. Locksmiths typically sell aftermarket fob key replacements, so while you won't be getting a key directly from your vehicle's manufacturer, you have the potential to save money on the cost of the fob, notes Edmunds.Programming Your Key FobNo matter where you purchase your key fob replacement, you'll need to program it yourself or have it programmed. Stores that have automotive departments often carry generic aftermarket fobs that are designed to work for several different makes and models of vehicles. We know that because he's covered in snow and asks for human charity, which we can only assume is because he's cold. depression The correct choice is C. Her overreaching statement, "a truth universally acknowledged" is an example of hyperbole, which is an exaggerated statement not meant to be taken literally." And although she may personally be reproachful or scornful of the idea, her tone does not convey it in this satire. If you can't locate your owner's manual, you can probably find it online on the vehicle manufacturer's website. The dealership may also charge a fee to program the new fob, so be prepared to pay extra for this service. She's sarcastic about society's notion of marrying young women off to wealthy men. 5. It was a mystery I couldn't solve; nor could I grapple with the shadowy fancies that crowded upon me as I pondered. The correct choice is D. Feel free to use these free printable pdf files for your own educational use, too: Author's Tone Worksheet 1 | Author's Tone Worksheet 1 Answer Key 1. If she were astonished by the idea, then she'd make the husband act aghast when Mrs. C. The stranger's discomfort. Look at aftermarket key options as well. A. Don't settle for one price for each option. This all depends on the type of fob your car requires. And he wasn't trying to terrify the reader in this scene, either. What does the author most likely want to convey through the use of the phrase "ready consent to terms and a couple of coins flung upon the table?" Even if we read nothing beyond the first line, we'd get the sense that the author was slightly amused by the subject matter. satiric B. weary The correct answer is A. It could be that I'd fallen into a nightmare without knowing it. B. Choice A seems logical until you place it up against Choice D, which uses a complex structure and language similar to that already in the text. If you can use an aftermarket key, you can save money, but you may have to take care of programming it yourself. A. It had to be the dreariness of the day. Which of the following choices provides the best answer to the author's final question posed in the text, while maintaining the tone of the article? apprehension D. Choice B and D's sentence structure is too simple and Choice B's answer is incorrect based on the text. Consult the owner's manual for your vehicle for instructions and other details. C. If you order an aftermarket key fob or a dealer-branded fob you program yourself, it's just a matter of waiting for it to arrive in the mail.Program Your Key Fob If you order a programmable key or key fob, you can program it yourself to save on the cost. Locksmiths who specialize in car locks can often replace electronic keys for less than dealerships. D. In some cases, a dealership may be the only place where you can get someone to program it. scornful C. terror C. One primary downside to ordering online, however, is that you may need to wait a few days for your key to ship. If not, go back, answer the questions and then head back here and find out what you've gotten right and what you may have missed. If you're curious about what author's tone really is and wondering how to figure it out, here are three of the tricks you can use to determine the author's tone when you don't have a clue. A staff member there can order a new fob for you, and they may also have the fob you need in stock. The stranger's greediness in bartering. If you're able to program the key fob yourself, it'll likely only require you to press the fob's buttons in a specific order and turn the key in the ignition several times, notes Edmunds. You need all this information to ensure the programming for a new key matches your car.Determine the Type of Key It's important to identify which type of key you need to replace to determine the cost and complexity of replacement. The words used by Poe are complicated, as is his sentence structure. The author further makes the scene amusing by pitting a complacent husband against his busybody wife. Key fobs control remote keyless entry, but you can still start your car with a traditional metal key. If you've lost your actual car key in addition to the fob, a locksmith should also be able to help replace that. Keep in mind that you may or may not be able to program these fobs yourself; in some cases, a locksmith or dealership may need to complete the process for you. You may also find YouTube videos designed to help you program a new electronic key fob. D.
